Overview

This City of Lakes, Udaipur also known as the "Venice of the East," is encircled by the stunning Aravalli Hills in all four directions. One of Rajasthan's most picturesque cities, Udaipur is surrounded by a rich royal heritage and culture on a vast scale. Winter in Udaipur is the most beautiful season to visit because it has the most breathtaking natural glow and a calming windy climate.

Udaipur already has a valley and four lakes surrounding it, but centuries of human labour have resulted in some of the most exquisite palaces in the entire world, adding to the city's natural bounty. You might feel overwhelmed by the architecture of the entire city, but the Lake Palace Hotel is what gives the city its distinctive skyline.
